INTRODUCTION

The Purpose of This Curriculum

- ◆ *To learn English*
- ◆ *To learn Bible content*

What This Curriculum Contains

- ◆ Focus on listening and speaking
- ◆ Instruction in all aspects of language: discourse, sociolinguistic, strategic, and linguistic (grammar, pronunciation, vocabulary)
- ◆ Each unit covers a Bible text. For each unit, there are 6-8 tasks that guide the learners through the process of learning and interacting with the content of the text as well as developing language skills. **The unit is most effective when the tasks are done sequentially.**

Who This Curriculum Is For

- ◆ adults learners
- ◆ low intermediate learners (Canadian Language Benchmarks 4-6)
- ◆ ESL or EFL settings — Because the Bible represents a historical setting, and is couched in historical Hebrew culture, this curriculum is suitable for either ESL (English as a Second Language) or EFL (English as a Foreign Language) teaching.

How This Curriculum Is Organized

- ◆ *Text-based* — Each unit is built around an authentic text from *The New Living Translation* of the Bible. Other texts are brought in as they relate to what is being studied.
- ◆ *Task-based* — Meaning is at the core of language, and each task has the students using language in a meaningful way.
- ◆ *Function-based* — Each unit also develops the learners language for everyday living. The language learned in class is applicable for use outside the classroom.

How Much On-Task Time This Curriculum Provides

- ◆ whole curriculum 30-35 hours
- ◆ each unit approx. 4-5 hours of on-task class time
- ◆ each task varies according to the purpose and task type
